

Create a Better Team in Three Months – full day workshop

COACH AND MENTOR TRAINING WORKSHOPS

FULL DAY WORKSHOP (SAMPLE PROGRAMME)

In Lynn Scott's and Lois Burton's highly interactive and practical **Create a Better Team in Three Months full day workshop** we give you some essential tools and lots of exercises with opportunities to practise, and a Q and A session where you can ask specific questions (and get answers!!) about your own particular team.

We'll cover:

- 4 proven strategies to start making your team more effective IMMEDIATELY
- 6 additional strategies that highly successful leaders use with their teams to keep them strong and motivated
- Our unique Transforming Teams Questionnaire which you can use with any team in your organisation – it only takes 15-20 minutes
- Our Transforming Teams model – find out about dysfunctional teams, resistant teams, high potential teams..... and more
- Creative ideas to make your team meetings more effective
- Inspirational methods to build your confidence as you develop your team
- Ideas on how to involve your stakeholders in developing your team
- Guidelines on how to facilitate all of the exercises
- Practical ways to tackle dysfunctional behaviour in teams (and we don't beat about the bush with this one....)
- A plan to help you avoid the six things that stop teams operating at their best
- The seven step model to building a transformational team
- A three month action plan for using these exercises with your team
- A comprehensive workbook – hard copy and downloadable version

We run this workshop in-house or as an open programme. Contact us for details.
