

Create a Better Team in Three Months – Masterclass

COACH AND MENTOR TRAINING WORKSHOPS

MASTERCLASS (SAMPLE PROGRAMME)

In this two hour masterclass Lynn Scott and Lois Burton will share the secrets of really **successful teams** and you will go away with 4 proven strategies that you can implement immediately **to make YOUR team more successful.**

We will share with you:

- The six things that most commonly prevent teams from operating at their best and what you can do about them
- Creative ideas to make your team meetings more effective (and you **WON'T** have heard these before)
- Ten qualities that great teams have in common
- Practical exercises to help you have more courageous conversations in your team.

So, if your team is honest, supportive, willing to be accountable and committed to a common purpose **we can help move your team from good to great.**

If not, we can help you to **tackle dysfunction** and raise your collective game.

Let us know if you would like to run this masterclass in-house as a stand-alone or as part of a leadership development programme.

We have also run this as a shortened session for conferences and seminars.
